

THE celebrity take WITH JAKE

Tiffany Giardina

So I was cruising down Melrose Avenue here in Los Angeles the other day, and I look up and see a billboard with Tiffany Giardina smiling brightly down on me! See, I told you we had a rising star on our hands. Well, recently she was looking up to someone, literally! She met Shaquille O'Neal after singing the Canadian National Anthem at the 2009 NBA Slam Dunk Contest. Looking at Shaq is almost like looking up at a billboard!
