

Another progeny of the Radio Disney boom of artists, Tiffany Giardina, is a 15-year-old pop punk princess. Her up beat, rollicking music is filled with lyrics that any tween and teen girls can relate to, including boys, summer, and drama queens. "No Average Angel" and "Hurry Up and Save Me" were featured in the *Another Cinderella Story* movie with fellow Disney star Selena Gomez and "Shine" is in the *Tinkerbell* movie. Since her debut, Giardina has been seen in many different commercials including ones of Major League Baseball (don't know how that happened) and Cheerios. Watch out Demi Lovato, Tiffany is climbing up the Disney ladder.
